CITY COUNCIL BUDGET WORKSHOP MINUTES

SPECIAL MEETING – June 8, 2011

CALL TO ORDER: 5:34 p.m. – Mayor Johnston called the meeting to order.

ROLL CALL: Councilmembers: Mallon, present; Hynes, absent; Hatfield, present; Lefebvre, present

Treasurer Tina McCoy began by discussing the resignation of Cheri Howell, City of Hauser's Code Administrator, effective August 31, 2011. Councilmembers were given a copy of Howell's resignation letter. McCoy said this event will alter the budgeting decisions to be made and more information will be needed. Howell was present at the meeting to answer questions.

Howell described alternative possibilities to fill her position. She said her goal is to get the draft Development Code completed, get through the Town Hall Meetings, and then the Planning Commission Public Hearing by August 31. She said she would submit anticipated expenses of salaries, public hearings, printing of the Comprehensive Plan and Develop Code, maps, and postcard notices to all property owners regarding new regulations to Councilmembers at the next budget meeting scheduled for June 22, 2011 at 5:30 p.m. She said maps and public noticing is an expensive process, and added that most of the land planners who have experience in this type of work will charge anywhere from \$60 to \$120 dollars an hour in the Spokane and Idaho area. Further details were supplied by Howell and discussion followed on handling public comment via telephone and/or having open door meetings facilitated by councilmembers. No definitive decisions were made.
